Open Gym: During these hours please come enjoy free time and personal work outs In our new state of the art Functional Fitness Center. To help everyone achieve the best possible workout and ensure safety, there will be a certified trainer in there at all times.

FF Bootcamp: This class is a functional training Bootcamp that helps build and maintain body strength and endurance that can be applied to every day life. With an emphasis on strength, respiratory and flexibility, the benefits of this class are endless.

Circuit Training/Open: During this time a certified Functional Fitness trainer will really challenge and inspire you to Escape Your Limits. The rooms will be set in various circuits utilizing sleds, ropes, tires, corebags and more. Come move your body and build strength through this variety of intense intervals.

TRX: TRX is a form of suspension training that uses bodyweight exercises to develop strength, balance, flexibility and core stability simultaneously.

Move It: Designed to achieve the maximal post exercise benefits of HIIT training, developing rest aerobic and anaerobic capacity to new levels. Varied high intensity functional fitness training will engage all members of every fitness level. You move through a series of work out zones, with intervals, new and fun equipment and exercises chosen to challenge energy systems While developing total body, functional strength and endurance.

HIIT the Deck : We are proud to bring you a program that has never before been released in the USA. Court Jester is the first gym to certify trainers and bring you this exciting and dynamic class. HIIT the Deck works great as an introduction to functional fitness. It includes exercises and workouts that embrace cardio, strength, and plyometrics to give you a fantastic whole body experience.
